Summer Stretch

We’re not talking about the grand stretch in the evenings or about you taking a stretch and growing a few inches in height - we’re talking about growing in compassion.

Join in the compassion challenge and learn more about our God of endless compassion as you do.

#challenge1
Evoke the Mercy Rule

On a sunny day organise a water fight and during the game if someone shouts ‘mercy’, you’re not allowed to soak them. Learn about a God’s mercy towards us.

#challenge2
No, After You!

Let a sibling or friend have the first turn at everything for a whole afternoon.

In this Bible story, 4 people put the needs of their friend before their own.
